

# ROWING & REDS

## REDFISH FLYFISHING TOURNAMENT

September 16-18, 2021

WE WANT TO SHOW  
OUR FELLOW VETERANS  
THAT ANYTHING IS  
POSSIBLE. TO STOP  
TAKING THEIR LIVES,  
AND START LIVING  
THEM.

**Fight Oar Die is a 501.C3 non-profit veteran service organization focused on raising awareness for PTS, TBI, and other reintegration issues facing veterans.** We chose a recognized international event, the Talisker Whisky Atlantic Challenge, as a platform to show veterans that anything is possible. To stop taking their lives, and start living them. We've teamed up with the Sturm Specialty of Military Psychology at Denver University and the Sturm Center to help provide clinical support for veterans and dependents, as well as, the Marcus Institute of Brain Health, UC Denver Anschutz Medical Campus. In 2021, we've focused our efforts on direct impacts to include mental health first aid training and scholarships for students concentrating on advanced mental health degrees.
